

# INSIDE ICICLES

A fresh coating of icicles and a pinch of snow flakes makes the world appear like it is covered in glitter.

# PRODUCT BOARD

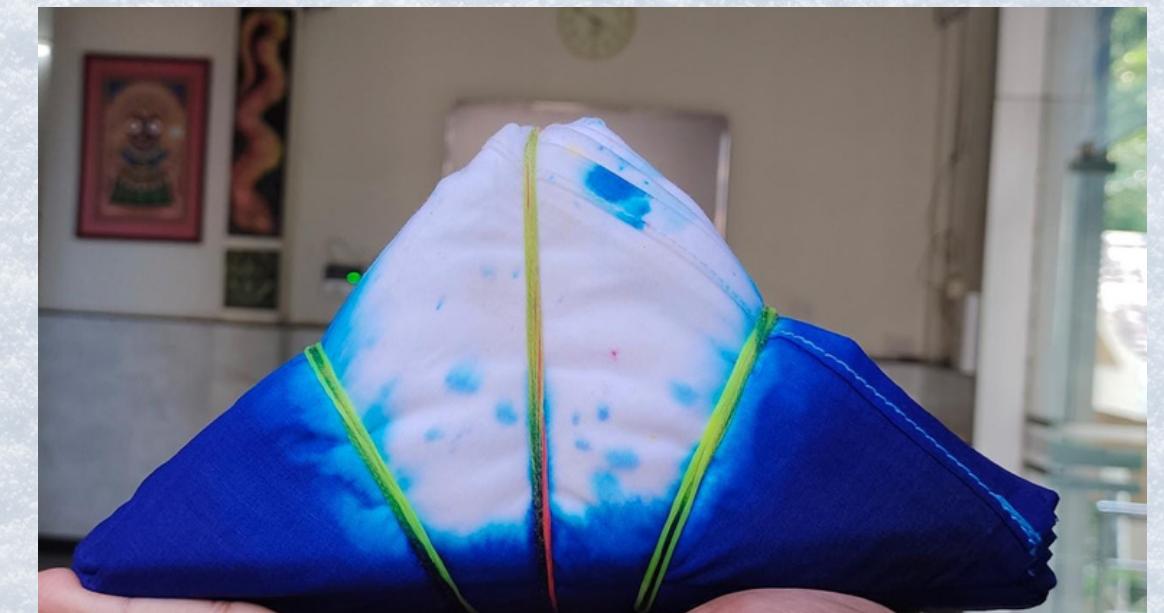

**Step One:** The fabric was folded according to the design requirement and was secured with rubber bands

**Step Four:** The rubber bands were untied from the fabric

**Step Two:** The fabric was dipped in the color bath and left for 30-45minutes

**Step Three:** The fabric was then removed from the color bath

**Step Five:** The fabric was unfolded properly with care

**Step Six:** The unfolded fabric was kept for drying.
